

Brighton Primary School Sports Information 2019

For any general questions please email:
bpsportscomm@gmail.com

Our Extra-Curricular Sports are all managed and supported by volunteer parents and carers from our school. This means that every Sport Coordinator, Coach and Team Manager donate their time, energy and skills in assisting all our children have the opportunity to be involved in school based sports. We are very grateful for all the support we have enabling us to offer the following sports and we look forward to expanding our support base.

We encourage and welcome any parent or care giver willing to assist us. Our guidelines are; all players, coaches, managers, spectators and coordinators adhere to our sporting code of conduct in representing our school; and that all our coaches, team managers and coordinators have a current DCSI clearance.

For our Sports Policy and Code of Conduct please refer to our schools website, click on the Parents Info tab, Scroll down to Policies - Refer to Sports Policy Link. <https://brightonps.sa.edu.au/information-for-parents/>

If you are interested in involving yourself in the capacity of team manager, coach or sport coordinator for any of our school sports, please obtain a DCSI Clearance. To check on the validity of your existing DCSI Clearance, or apply for one, please contact Heather or Sarah in the Front Office on 8296 3614, or contact the relevant sports coordinator. This is an online application that only requires your full name, DOB and email address to get the ball rolling. The form takes approximately 10 minutes to complete. Once submitted the clearance generally takes 3-6 weeks to arrive. BPS covers the cost of this clearance. This DCSI Clearance also gives you the option of attending excursions and camps.
