Mobile: 0402 480 154

Our Extra-Curricular Sports are all managed and supported by volunteer parents and carers from our school. This means that every Sport Coordinator, Coach and Team Manager donate their time, energy and skills in assisting all our children have the opportunity to be involved in school based sports. We are very grateful for all the support we have enabling us to offer the following sports and we look forward to expanding our support base.

We encourage and welcome any parent or care giver willing to assist us. Our guidelines are; all players, coaches, managers, spectators and coordinators adhere to our sporting code of behaviour in representing our school; and that all our coaches, team managers and coordinators have completed all steps of the Volunteers Application process (hard copies available through the Front Office or email Jan-Marie).

Our sports are offered in 2 seasons: Summer Season is term's 1 and 4, Winter Season is term's 2 and 3. Basketball and Volleyball are available for both seasons. When you register for a sport, you commit to the season.
