Adult Support	A team will not be registered unless it has a Coach and Team Manager

Coaches and Team Managers: Brighton Primary School extra-curricular sports are run on the kindness and dedication of volunteers. Each team requires a coach (this can be shared between 2 people if preferred) and a team manager. Without these 2 positions filled for each team we will not register the team.

Coaching entails teaching the players how to play the game, teamwork, positions on field, and conducting practice if able. The coach is to bring the first aid kit & soccer equipment to the games & practice, and take register of team attendance.

Team Manager is responsible for communications of game details, captains, scorer and support the coach. The team manager needs to take a team photo.

No experience is necessary for either position, many of us learn as we go!

Coaches and Team Managers are required to complete the DfE Volunteer Application process.
