

# The Library Examiner

## CLICK AND COLLECT

The Brighton Primary School community were delighted to hear that even if their children are unable to come to school, they are still able to borrow books. The innovative idea allows families to Click and Collect books. This easy process takes two steps.

1. email the school library with your list of books
2. collect books from school
- 3.

## Our Tree of Knowledge

Last week we reported that a tree had grown overnight in the library. Research revealed that this tree was a rare 'Tree of Knowledge'. These trees appear in places where young people go to find books, lots of books, to read. The tree is thriving with new shoots and leaves appearing every day. It seems that the tree grows whenever children are reading.

## Book Club

Time is running out! Ordering for Issue 1 closes Monday, 14<sup>th</sup> Feb. Have a look at the brochures and place orders by visiting [scholastic.com.au/LOOP](http://scholastic.com.au/LOOP). Orders will be delivered to the school during week 5.

## WANTED

**The search is on! If anyone knows of a student who is in Year 4,5 or 6 who loves coming to the library, reading and helping out, we need to know who they are. We believe that there are a number of these students who are unaware that they have special skills that are just waiting to be shared. These students are known as 'Library Monitors'.**

**If you know anyone who you think may be a suspected 'Library Monitor', please come to the library and let us know.**

## Big Cats Hiding in School Library

The Examiner has heard that there are lions, tigers and cheetas hiding out in the library. Apparently these Big Cats are camouflaged very well. Sightings have been made in the nonfiction area, though they have been seen in junior fiction as well. Students will be asked to assist library staff to find these cheeky animals. By doing this they will learn lots of new facts about these amazing creatures, and will know where to find them again.

Reading is like breathing in. Writing is like breathing out
