

Brighton Primary School & Centre for Deaf Education

28 March 2022

Dear student,

Thank you for taking an interest in joining the 2022 Pedal Prix team. We at BPS are excited to resume our involvement in the nation-wide event, after a COVID disrupted 2020/21. Given the circumstances with our Year 7 students no longer a part of our team, this year we will be ushering in a 'new era' of pedal prix at BPS.

Our team priorities are **inclusivity & involvement**. We at BPS believe that every student should be given the opportunity to be involved. For that reason, Pedal Prix will not incur a cost this year. The only conditions are that:

- You are able to make the allocated training sessions
- You are able to ride a bike
- You are willing to support the team during events

The Brighton Pedal Prix team would like to invite you to a 3-week trial training program over weeks 9, 10, & 11 of term 1. This program will give you the opportunity to experience what it is like to be a part of the program, and get a better understanding of the expectations that team members must maintain to keep their spot in the team. This will also give the Pedal Prix coordinators an opportunity to get a better understanding of numbers and plan accordingly for the year. Thankfully, this year we have the capacity for a larger number of riders than ever before – so, the more the merrier!

Training will commence on Tuesday morning, 29th of March, week 9. Students will require a bike, preferably with gears, for training. Trainings start at 7:45am sharp on the school oval. It is recommended that riders arrive 5 minutes beforehand to warm up and prepare. Further information on trainings will be given to students in the coming weeks.

Please complete the tear-off slip below and return to the front office in your class office box prior to Friday of Week 8.
