## Wintery Weather

### Hits Brighton

Students were taken by surprise during the last couple of weeks. The wintery weather blew from the south, leaving some wishing they had worn warmer clothing. With cold fingers, and red little noses some students were lucky enough to discover a place of warmth very close by. Where? You may ask....

### The school Library

Yes it is true!

Each morning from 8.30 students are able to come into the warmth and enjoy a quiet read or do some returning and borrowing. They may even like to invite their adults in for a quiet read

### PREMIERS' READING Challenge

Keep reading those books. The challenge finishes in early September, term 3.

## DIVE INTO READING

## BOOK FAIR

Last week we had our Book Fair in the library. It was a great success with many students and families taking the opportunity to discover some great new releases. Purchases included books, posters, and novelty items. Our school sold just over \$8,000.00 worth, which gives our library \$2,500.00 to spend on new resources.

Thank you to everyone who took part in our fair.

## News from Jigsaw Corner

Students are currently enjoying an underwater experience. They are able to view some of the sea creatures that live in our oceans and at which depth in the ocean they live. As they progress with their experience they are learning many facts about these creatures.

## BIG PEOPLE RETURN TO OUR LIBRARY

Now that our covid restrictions are more relaxed we are able to restart our community borrowing.

Do you have a member of your family who is a student at Brighton Primary School?

Are you a part of the Brighton Primary School community?

Do you like to read books?

Would you like to access more books to share with your family?

If you answer yes to any of these questions, you may like to become a Community Member of our library. You will be able to borrow up to 5 books from our collection for up to two weeks. If you are interested please come into the library to join up.
