The family assistance office who provides the childcare subsidy requires that all attendances be properly recorded in order to validate Child Care Assessment Claims.

Guideline to Nut and Other Allergies:

- A dietary register of students with allergies is kept in the OSHC records.
- Staff encourage children to be aware of the no nut policy and encourage them to be pro-active in not bringing nut products when attending OSHC.
- On excursions, discussions are held with venues regarding food that can be of a potential risk. (Children will be guided in purchasing food respectfully and ensure any food that is purchased follows the allergies guidelines).
- Children will be encouraged to let us know if they have a nut product in their lunch box.

We do have children with serious allergies to certain foods so in line with the school's policy please pack your child's lunch boxes thoughtfully.
