**Coaches and Team Managers:** Brighton Primary School extra-curricular sports are run on the kindness and dedication of volunteers. Each team requires a coach (this can be shared between 2 people if preferred) and a team manager. Without these 2 positions filled for each team we will not register the team.

**Coaching** entails teaching the players how to play the game, teamwork, positions on court, and conducting practice. The coach is to bring the first aid kit to the games. The coach is responsible to take record of player attendance at training and games.

**Team Manager** is responsible for communications of game details, captains, and scorer to support the coach. No experience is necessary for either position, many of us learn as we go!

**Coaches and Team Managers are required to complete the DfE Volunteer Application process, please refer to the blog.**
