Team Managers: Brighton Primary School extra-curricular sports are run on the kindness and dedication of volunteers. Each team requires a support person, either as a coach or team manager, to take on the role. Without this position filled for each team, we will not register the team.

Team Managers are responsible for communications of game details & organizing/ supporting the team on game days. The Team Manager is responsible for taking the record of player attendance at games. No experience is necessary to support volleyball, many of us learn as we go! **Team Managers are required to complete the full DfE Volunteer Application process.**
