WRITER'S WEEK

2023

Brighton Primary School Writer's Week Awards is now in its tenth year.

Our school is u-buzz with many students busily working on their entries for this year's Writer's Week Awards. Each year level has a criteria that needs to be met, with class teachers choosing two entries to be shortlisted, and then judged. Overall Winners to be announced at the assembly during Book Week, as well as a Growth as a Writer winner from each class being announced on this day.

The assembly will be followed by our Book Week Parade. The perpetual trophy and previous winning entries are on display in the library.

This year's winners will be on display during Week 5 and 6.

Do you know?

- A large male elephant can suck around 10 litres of water into its trunk.
- The mouth has 1 million taste receptor cells.
- A cockroach can live for 3 days without its head.
- Peanuts are fruit.
- In a single year a forest of 400 trees gives off enough oxygen to keep 20 people breathing.
- A giraffe's tongue is half a metre long

Do you know where can you find more of these fun facts?

Library Monitors

We are very excited to welcome a group of students to our library team. At the end of term 2 these students attended sessions to enhance their skills and knowledge and they are now library monitors. You may see them helping out in the mornings before school or at lunchtime. They have been busy assisting with the displays for Book Week and Writer's Week, reshelving and tidying books.

PREMIER'S READING Challenge

Countdown 5 weeks to go

This year's challenge finishes on Fri 8th Sept, Week 7
